Medical Assistance

Please note that medical staff must report sexual or domestic violence to law enforcement, but that does not mean a survivor has to file a report if they do not want to. Patients have a right to a support person at a medical exam. The Campus Advocate can provide assistance with this process and provide transportation and accompaniment to the exam.

Forensic Exam: To obtain a free forensic exam also known as a Sexual Assault Response Team (SART) exam, contact the campus advocate, Valley Crisis Center, or UC Merced Police Department (UCMPD). The forensic exam collects evidence for a criminal investigation. The exam is time sensitive and it can have evidentiary value. Clothing worn during the assault may also have evidence if the survivor chooses to proceed with a criminal investigation.

Jane Doe SART kit: This kit is collected like a regular SART exam. However, the survivor does not need to identify themselves and can remain anonymous until they want to proceed with the investigation process. UCMPD will store the kit until the survivors decide to press charges. UCMPD can store clothing while a survivor decides if they want to move forward with an investigation. For more information, contact the Campus Advocate.
